

## Disposal of Waste

### Household Waste

- Wealden District Council provides each household with a black bin which is collected once a fortnight.
- Wealden will collect larger items for a fee.
- Items can be taken to local recycling sites at Seaford and Eastbourne.

### Recycled Waste

- Wealden District Council provides a green bin for recycled items. This is collected once a fortnight.

### Green Waste

- Wealden District Council provides a brown bin for garden waste. These are collected once a fortnight on payment of an annual subscription to WDC.

### Bonfires

- For environmental and social reasons, bonfires are not encouraged, please use local recycling facilities. If a bonfire is necessary, please make sure it is after dusk.
